

Wave Dining Table

Stainless steel waves, roll down the broad highly figured Macassar Ebony base to create a dining table that truly is sculptural. The 3/4" - 19 mm glass top floats above as if it is not even there.

Bruished Stainless steel is used for the Waves. Shown in Macassar Ebony and available in other woods.

Dining tables are made to order so we are able to easily change the table dimensions. Prices are quoted by table size.

Glass edgework is shown as Flat Polished with safety corners and is available in other options.
